

PRESS RELEASE – Wild Wonders Announces Saturday Morning at The Zoo Series
Bonsall, CA
January 8, 2021

Meet some incredible animal ambassadors on Saturday Mornings at the Zoo!

On selected Saturdays through April, one of the engaging and knowledgeable Keepers from Wild Wonders will introduce viewers to animals from all over the world.

The series will begin with “Out of Africa” on January 23 at 10AM. Animals featured will be those that survive and thrive in the varied climates of Africa. Subsequent months will explore “The Rain Forest”, “Wonders from Down Under”, and “Our Big Backyard”.

Each program is via Zoom and will be about 45 minutes in length and feature 4-5 animals. Viewers will get great close-ups of the quills, scales, eyes, teeth, ears, feathers, fur and feet that help these animals be successful in their environment.

And after the program, participants will receive a PDF with some coloring activities featuring some of the animals in the broadcast.

The cost is \$20 per connection.
