

PRESS RELEASE – Wild Wonders Announces Winter Wonders and Holiday Lights
Bonsall, CA
December 12, 2020

Looking for a **safe**, outdoor, festive holiday event for the whole family? Wild Wonders invites you to book a Winter Wonders and Holiday Lights tour of our facility which will showcase our nocturnal animals.

Only one family group will be allowed on each tour, so you and your family will have our entire 5-acre facility to yourselves. Limiting attendance, as well as masks and social distancing, will help you relax and enjoy your outdoor one-hour adventure.

Winter
WONDERS
& Holiday Lights!

Saturdays: 12/19, 12/26, 1/2
Sundays: 12/20, 12/27, 1/3

4:30pm & 5:00pm

Full guided evening tour, to see all the nocturnal animals awake!

• \$250 for a Household Group of 1-4
• Additional Guests ages 12+: \$30
• Additional Guests ages 5-11: \$15

One of our keeper / educators will host your family as you meet several of our ambassadors in a fun, interactive, and educational experience.

We are only offering these events on selected Saturdays (12/19, 12/26, and 1/2) and Sundays (12/20, 12/27, and 1/3) in late December and early January, and there are only two events per night – one at 4:30PM and one at 5:00PM. If you don't see a time that works with your holiday plans, contact us to see if another evening is open.

The price is \$250 for a FAMILY OF UP TO 4 people. Additional family members aged 12+ are \$30, and additional children aged 5-11 are \$15. Due to an overabundance of caution due to COVID, children under 5 are not allowed at this time.

This annual event is very popular, so book your tour quickly.

Tickets and more information is available at: <https://wildwonders.org/winter-wonders-and-holiday-lights/>.

About Wild Wonders: The facility in Bonsall, California, is where kids and adults can “tame” their curiosity for wildlife. Through live interactive programs and tours at our site or yours, our wildlife educators and our 120 animal ambassadors will take you on a dynamic adventure you will not forget. Our goal is to excite the public and foster a desire to preserve and learn about wildlife and the important role they play in the planet we share.
